## **CDC Updates**

### **Grant Award**

On June 30, 2007, the Centers for Disease Control and Prevention awarded a grant in the amount of \$250,000 to the Arizona Cancer Control Program for the period 6/30/07 – 6/29/08. The project period is June 30, 2007 – June 29, 2012. The amounts of grants awarded to Comprehensive Cancer Control Programs for this budget year ranged from \$200,000 to \$255,000, with \$244,000 being the average dollar amount awarded. We would like to thank those who provided the wonderful letters of support that were submitted as part of our grant application.

## **Table Talk – Committee Updates**

## **LEGISLATIVE UPDATES**

The American Cancer Society secured an additional \$250,000 to screen for breast and cervical cancer for uninsured and under insured women. This means that over 1,100 more Arizona women will receive life-saving screenings in 2008. [More](#)
